

Empowering business, advancing sustainability

Key features at a glance:

- Print¹/copy³ up to 31 pages per minute (ppm)
- 2-Sided print/copy, up to 20 sides per minute (spm)
- Dual-band Wi-Fi (2.4GHz and 5GHz) and Gigabit ethernet
- 250 sheet paper tray and dedicated 50 sheet multi-purpose tray

Compact yet powerful

- Up to 25% smaller⁸ footprint than previous models
- Compact design without sacrificing performance

Built for business efficiency

- BRAdmin, a tool for monitoring and configuring Brother devices over a network
- Brother Solutions Interface (BSI) integrates with third-party and custom solutions to streamline workflows
- Enhanced cybersecurity with zero-trust, network, and storage protection

Our business colour printer range is designed not only to enhance your efficiency but also set a new standard in design, reliability, performance, and considerate to the environment.

Optional accessories

250 sheets

Increase productivity with extra paper trays

Combine up to:

- 2 x LT350CL
- 2 x LT360CL
- 1 x LT350CL and 1 x LT360CL

HL-L8430CDW, DCP-L8630CDW, MFC-L8730CDW
not compatible with LT-360CL

520 sheets
